[jefprestoza2@gmail.com](mailto:jefprestoza2@gmail.com) | <https://jefprestoza2-hub.github.io/portfolio/>

## PROFESSIONAL SUMMARY

Detail-oriented Senior 2D Artist with over 10 years of experience specializing in **Clean-Up & In-Betweening (CUIB)** and **Quality Control** for high-budget feature films and episodic series. Proven track record of maintaining character consistency and line-weight integrity for world-class studios including **DreamWorks, Warner Bros., and Disney**. Expert in **Toon Boom Harmony** pipelines, dedicated to delivering production-ready frames that meet the highest theatrical standards.

## CORE COMPETENCIES

- **Technical:** Senior-Level Clean-Up, Digital In-Betweening, Harmony Troubleshooting.
- **Quality Control:** CUIB Checking, Line-Weight Management, Volume Consistency.
- **Pipeline:** Feature Film Workflow, Episodic TV, Traditional & Rigged 2D.

## MAJOR FILM & TELEVISION CREDITS

- **Forgotten Island (Feature)** – *DreamWorks Animation (Release 2026)*
- **The Day the Earth Blew Up: A Looney Tunes Movie (Theatrical)** – *Warner Bros.*
- **Where is Anne Frank (Feature)** – *Cannes Film Festival Official Selection*
- **The Congress (Feature)** – *Dir. Ari Folman*
- **DuckTales** – *Disney Television Animation*
- **Big Hero 6: The Series** – *Disney Television Animation*
- **Green Eggs and Ham** – *Netflix Animation*
- **Invincible Fight Girl** – *Cartoon Network / HBO Max*
- **The Proud Family: Louder and Prouder** – *Disney+*
- **Tiny Toons Looniversity** – *Amblin / Warner Bros.*

## PROFESSIONAL EXPERIENCE

- **Senior CUIB Artist & Checker** | *Various International Studios* | **2011 – Present**
- Supervise and execute high-end clean-up for lead characters, ensuring all frames adhere to the established style guide and technical specifications.

- Perform final QC (Quality Control) on in-betweened sequences to eliminate "boiling" or volume inconsistencies.
- Mentor junior artists on Toon Boom Harmony best practices to increase department efficiency and meet tight production deadlines.
- Collaborated directly with Animation Directors for feature projects to translate rough animation into polished, theatrical-grade assets.

## TECHNICAL SKILLS

- **Primary Software:** Toon Boom Harmony (Premium)
- **Specializations:** Vector Clean-up, Digital In-betweening, Character Consistency, and Theatrical Line Weight Management.
